

Name of Activity : Engineers Day Program at SSIEMS campus.

• Brief Introduction:

National Engineers' Day, celebrated on September 15th, honors engineers for their vital role in shaping society. This date marks the birth of Mokshagundam Visvesvaraya, an outstanding Indian engineer.

On this occasion in our institute on 18/9/2023 we felicitate many Engineers as they are doing the great job in various fields. Many students from our college also felicitate which gives boost to the fresher's. For this program Hon Narayan Choudhry and Hon Director Dr. Anand Pathrikar felicitate students.

• Objective:

- ❖ Inspire fresher students.
- ❖ Recognize our students doing great job.
