## Introduction

On October 6, 2023, MSPM's Shri Shivaji Institute of Engineering and Management Studies, Parbhani, hosted an illustrious event titled "TechXcelerate-2023: Transforming Tomorrow," focusing on the fields of STEM (Science, Technology, Engineering, and Mathematics) and Robotics. The event saw participation from students across various states, showcasing their talents and innovations. **The winners of TechXcelerate-2023 were given the prestigious opportunity to attend the "Chandrayaan-3 Triumph" celebration on October 15, 2023, at Rameshwaram, Tamil Nadu.** This event commemorated India's third successful lunar exploration mission and marked the 92nd birth anniversary of Dr. APJ Abdul Kalam. **The event was organized by the Dr. APJ Abdul Kalam International Foundation and featured ISRO Chairman Dr. S. Somanath.**

The event emphasized the institute's commitment to fostering a culture of innovation, creativity, and technical excellence among students. MSPM's Shri Shivaji Institute of Engineering and Management Studies has always been a beacon of inspiration and motivation for its students, providing numerous opportunities for them to participate in such prestigious programs.

## Highlights of the Chandrayaan-3 Triumph Celebration

The Chandrayaan-3 Triumph celebration was a significant event marking the successful mission of India's third lunar exploration. The celebration was held on October 15, 2023, at Rameshwaram, Tamil Nadu, and was organized by the Dr. APJ Abdul Kalam International Foundation. The presence of ISRO Chairman Dr. S. Somanath and other dignitaries added prestige to the event.

## Program Agenda and Key Moments

- 1. Floral Tribute to Dr. APJ Abdul Kalam:** The event commenced with the chief guest's entry, accompanied by music and applause, followed by a floral tribute to Dr. APJ Abdul Kalam.
- 2. Lighting of the Lamp Ceremony:** The chief guest participated in the lighting of the lamp ceremony, symbolizing the enlightenment and inspiration drawn from Dr. Kalam's life and work.
- 3. Significance of the Event:** The event's significance was underscored by the celebration of Dr. Kalam's birthday, with ISRO Chairman Dr. S. Somanath and other dignitaries in attendance.

**4. Recognition of Dr. Kalam's Contributions:** Dr. Kalam's immense contributions as the 11th President of India and his focus on youth development were recognized and honoured.

### **Acknowledgments and Gratitude**

Dr. Somanath expressed gratitude to ISRO, the staff, management, and students, emphasizing the importance of environmental sustainability and humility. He acknowledged the impact of national STEM and robotics competitions in fostering innovation and pride among Indian youth. The celebration of Chandrayaan-3's success on Dr. Kalam's birthday highlighted the pride and significance of this achievement for India and Dr. Kalam's family.

### **Participation and Hospitality**

Students from various schools who participated in the event were thanked and invited for an early lunch courtesy of the Star Palace Hotel. This gesture underscored the hospitality and appreciation extended to the young innovators and their contributions.

### **MSPM's Contribution**

MSPM's Shri Shivaji Institute of Engineering and Management Studies, Parbhani, has consistently inspired and sponsored its students to participate in such significant programs. The institute's dedication to educating and motivating students to actively engage in STEM and Robotics competitions is commendable. By organizing events like TechXcelerate-2023, MSPM provides a robust platform for students to showcase their talents, learn from peers, and gain valuable insights from industry leaders.

### **Conclusion**

The successful organization of TechXcelerate-2023 and the participation in the **Chandrayaan-3 Triumph** celebration exemplify MSPM's commitment to nurturing future innovators and leaders. The institute's efforts in promoting STEM education and providing opportunities for students to excel in their fields are truly transformative, aligning with Dr. APJ Abdul Kalam's vision of empowering youth through knowledge and innovation.
