5.3.2 Average Number of Sports and Cultural programs in which students of the institution participated during last five years (Organized by the Institution / other Institution).

**DVV Clarification.**

Activities organized by the university and the institution are amalgamated and recognized as a single event. Multiple activities held on contiguous dates are treated as one event and claimed individually following revision. Competitions organized by the institution with internal participants are the only ones eligible for claims. Events organized by the university and the HEI with specific themes are regarded as single events. ; HEI needs to provide certificates of the students who have participated in the activities organized by following institutes in AY2022-23 :  
i. Dr.Babasaheb Ambedkar Technical University,Lonere ii. Parbhani District Cycling Association, Parbhani.

**HEI Response.**

1. Every year we organize social annual gathering naming “Yuvabeat” and conduct Cultural and Sports events under that head. In SSR we have stated separate sports and cultural events organized by our instate and students participated in that, but as per your norms that competitions organized by the institution with internal participants are the only ones eligible for claims, we are agree with that and we are not having any objection regarding the same.
2. Our 3 students were participated in DBATU Enter College sports competition organized at Gramin Engineering College, Nanded and Karmayogi Institute of Technology,Shelve ,Pandharpur their participation results received to us and hence we are providing it you for verification.
3. Our 10 students who have participated in Cycling competition organized by Parbhani District Cycling Association, Parbhani have been received, and we are providing it with this.

**List of Documents Uploaded.**
