Visit Report

Introduction:

We visited an important part of the training program at Deshpande foundation Hubballi. The goal of the visit was for us to experience to give new challenges for making entrepreneurs, start-ups, and training.

Site visit outline:

We visited Deshpande Foundation from 8 am to 6 pm on 4 th FEB and at Evening from 6 pm to 10 pm Infosys campus and spend the day following activities. We observed as the mentor led the students through languages, reading lessons.

Session 1: Radha Basu mam and Narayan Murthy sir dialogue regarding chatGpt and AI was fabulous and very informative to us. Sessions on Edu-skilling: Democratizing Learning Opportunities; Tech Start-Ups & Micro Entrepreneurship: Scaling Impact through New Age Entrepreneurship

Session 2: share examples of overcoming challenges with the support of technology across different verticals of the agriculture sector and help promote the attitude of.

Session 3: Learn from successful pilots; and evaluate the accessibility and sustainability of EdTech.

Session 3: Learn the new wave of entrepreneurship stemming for and from 'Bharat'; understand the potential of innovation and technology to enable scale; and the role of stakeholders to catalyze the penetration of technology for micro-enterprises and start-ups.

Session 5: Learn and understand the challenges and opportunities therein; and learn from experiences and expertise of stakeholders from within the ecosystem.

We spend the afternoon sessions interviewing hosters on their experiences working in agricultural field in order to get a sense of the valuable challenges and rewards that farmers find from their specific work environments.

Academic Year
2022-23

Points of Note:

During our visit we learned that one of the things that make Deshpande foundation unique is the value placed on language education. The hoster with whom I spoke expressed a genuine passion for sharing English language with their students and makes the new entrepreneurs also mention the new startups.

Conclusion:

Our Visit to Deshpande foundation was immensely beneficial. We learned that different institute has unique challenges and unique cultures. It was an excellent opportunity to experience an environment that priorities language education.

AICTE in its 49th meeting of the Council held on 14th March, 2017 approved a package of measures for improving quality of technical education in the country wherein it was decided that every student, on admission, shall be put through a

mandatory Induction program to reinforce the fundamental concepts and the required language skills required for the technical education.

Accordingly, a three-week mandatory induction program for students has been designed by Prof. Rajeev Sangal, Director, IIT(BHU) and his team to be offered right at the commencement of the first year and classes will begin after this induction program. Its purpose is to make the students feel comfortable in their new environment, set a healthy daily routine, create bonding in the batch as well as between faculty and students. The induction program is now a part of the model curriculum of Undergraduate Studies in Engineering & Technology launched by Shri Prakash Javadekar Ji, Hon'ble Minister of HRD during a conference on 'Quality Initiatives in Technical Education' on 24th January 2018 at AICTE, New Delhi and available on AICTE website. It has already been requested to all universities/ institutions to adopt the model curriculum from the forthcoming academic session 2018-19.

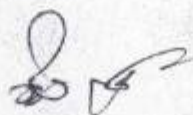

As the induction program is made mandatory for every student, it is of utmost importance that the faculty members/ teachers are equipped and trained to conduct the induction program for students. Therefore, 7 days residential Faculty Development Program (FDPs) for Student Induction Program for AICTE approved institutions are being organized by AICTE as per the following details:

You are requested to nominate 3-5 faculty members from your institution to attend these FDPs, so that they are able to conduct mandatory student induction at your institute.

The travel cost of participants attending the workshop, will be borne by the concerned institution. The cost of food and stay during the workshop to be borne by AICTE.

- Please nominate at least 3 to 5 faculty members filling the registration form (enclosed) & send the scanned copy of it to uhvfdpnorth@gmail.com
- Please note that there is a limit to the number of participants to be registered. Therefore, the selection will be on first come first served basis. Please submit this form latest by 10/05/2019.

Please ignore this email if you have already nominated your 3-5 faculties for the FDPs.

 (Aurangabad, Beed, Dhule, Jalgaon, Jalna, Nanded, Nandurbar and Parbhani Dist)

Subject: Invitation to depute faculty members to attend 3 days Faculty Development Program (FDP) for Student Induction Program for AICTE approved institutions.

Dear Sir/ Madam,

AICTE in its 49th meeting of the Council held on 14th March, 2017 approved a package of measures for improving quality of technical education in the country wherein it was decided that *every student, on admission, shall be put through a mandatory Induction program to reinforce the fundamental concepts and the required language skills required for the technical education.*

Accordingly, a three-week mandatory Induction Program for students has been designed by Prof. Rajeev Sangal, Director, IIT(BHU) and his team to be offered right at the commencement of the first year and classes will begin after this induction program. Its purpose is to make the students feel comfortable in their new environment, set a healthy daily routine, create bonding in the batch as well as between faculty and students. The induction program is now a part of the model curriculum of Undergraduate Studies in Engineering & Technology launched by Shri **Prakash Javadekar Ji**, Hon'ble Minister of HRD during a conference on 'Quality Initiatives in Technical Education' on 24th January, 2018 at AICTE, New Delhi and available on AICTE website. It has already been requested to all universities/ institutions to adopt the model curriculum from the academic session 2018-19.

As the Induction Program is made mandatory for every student, it is of utmost importance that the faculty members/ teachers are equipped and refreshed to conduct the induction program for students. Therefore, 3 days **Faculty Development Program for Student Induction Program for AICTE approved institutions** is organized by AICTE as per the following details:

Date	27/05/2019 To 29/05/2019
Time	9.00AM To 5.00PM
venue	CSMSS CHH. SHAHU COLLEGE OF ENGINEERING KANCHANWADI, PAITHAN ROAD, AURANGABAD-431002

:-2:-

AICTE invites nomination of your faculty members (Minimum 5 faculty members of each institute) to attend this FDP, so that they are able to conduct mandatory student induction at your institute. It is must the attendee who is attending 3days FDP should attend the 7 day FDP too. These trained faculty members after successful completion of two FDPs (One 3-day FDP followed by 7-day FDP) may further involve other faculty of the institute and provide training for them. These faculty members will be member of Institute Induction Program Cell (IIPC). The IIPC will be responsible for actively and successful implementation of three-weeks mandatory student induction program. The interested institution will intimate for the FDP at the email-id of the local organizer and the participation will be subject to confirmation from AICTE/ State Academic coordinator/ local organizer.

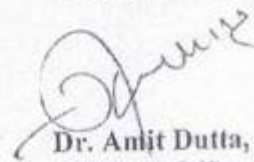

The following points are also to be noted:

1. The travel cost of participants attending the workshop will be borne by the concerned institution itself.
2. The cost of food (morning tea & biscuits, working lunch and dinner) during the workshop to be borne by Regional Office of AICTE.
3. The stay in guest house/ hostels for the participants should preferably be near to the venue of the workshop and the entitlement for reimbursement for accommodation will be to a maximum limit of Rs. 800/- per night (for 3 nights) as per the workshop.

Regarding accommodation or any other assistance, if required, the Local Organizer mentioned below may please be contacted:

- Name : Dr. Ulhas Shinde
- Institute Name: CSMSS Chh. Shahu College of Engg., Auragabad.

Track Details (But not limited to)

- TRACK 1 : SIGNAL PROCESSING & IMAGE PROCESSING**
Pattern Recognition & Analysis, Robotics & Computer Vision, Underwater Signal Processing, Education in Signal Processing, Image Compression & Segmentation, Multimodal Signal Processing, Audio & Video Quality Assessment, Image Processing, Multirate Signal Processing, Statistical Signal Processing, Biomedical Signal Processing
- TRACK 2 : RF & MICROWAVE**
Terahertz System, Biological Application of RF and Microwave, RF Nanotechnology, Non-destructive Techniques Using RF, Antenna Design, Amplifier and Filter Circuit Design, Application in Defense.
- TRACK 3 : EVOLUTIONARY COMPUTING**
Fuzzy logic, Natural Language Processing, Artificial Intelligence & Artificial life, Cognitive Psychology, Game theory & applications, Genetic Algorithm, Bio-inspired Hardware & Networks, Nature inspired Computation.
- TRACK 4 : DISTRIBUTED COMPUTING & CLOUD COMPUTING**
Mobile ad-hoc Networks, Mobile Identity Management, Security access Policies, Network Security Management, Privacy-respecting Authentication Issues, Wireless Communication, Sensor Networks, Data Communication, Distributed & Parallel Computing, Grid & Cloud Computing, Cloud Quality Management & Service level Agreement, High performance Cloud Computing, Green Computing
- TRACK 5 : SOFTWARE ENGINEERING & INFORMATION SYSTEMS**
Component based and Service oriented software systems, Software Engineering, Reliability and Testing, Information retrieval & Security, Knowledge Engineering & Management, Information, Information, System modeling and Simulation Techniques.
- TRACK 6 : GREEN COMPUTING & INTERNET OF THINGS**
Climate and Ecosystem Monitoring, Energy Harvesting, Storage, and Recycling, Energy Saving Solutions and Tradeoffs, Power-aware Algorithms and Protocols, Renewable Energy Based Algorithms, Smart Buildings, Eco-friendly Computing & Green Cloud Computing, IoT Business Models and Case studies, Green IoT, IoT Architectures, Platforms and Applications, Mobile IoT, Security, Privacy and Trust, The Smart City, Web of Things
- TRACK 7 : HARDWARE DESIGN & COMMUNICATION**
Business Analytics, Logic based Planning, VLSI Designing, Modeling, Simulation & Automation, Process Monitoring, Biomedical Informatics, Integrating & Mapping Biomedical Ontology's, Bioinformatics, Genomics, Proteomics, Health Informatics Reliability & Fault Tolerance
- TRACK 8 : COMPUTING IN MECHANICAL ENGINEERING**
Computing in Metallurgical and Materials Engineering, Thermal Engineering, CAD/CAM, Manufacturing Technology, Automobile Engineering, Aerospace Engineering, Robotics, Industrial Engineering.
- TRACK 9 : COMPUTING IN CIVIL ENGINEERING**
Aspects in Town Planning, Structural Engineering, CAD based designs, Earthquake Engineering, Construction Technology, Architecture & Planning, Water Resource Management, Hydrology.
- TRACK 10 : TECHNOLOGY IN ENGINEERING EDUCATION**
Digital Resources for Classroom, Concept of Blended Learning, Development of Tech Infrastructure, Blooms Technology, Role of ICT & Open Educational Resources, Modern Technologies in Ed-Tech Field.

Parbhani.

Subject- Regarding remuneration of Rs.6000 for participation in ICCET -2019 conference.

Respected Sir,

With reference to above subject I am Prof. Pathrikar Anand Kachru, Incharge Director, SSIEMS, Parbhani wish to have remuneration of Rs.6000 for participation in ICCET - 2019 conference. I have presented one technical paper in that conference. It was araraged at Deogiri Institute of Engineering & Management studies, Aurangabad from 09 to 11/01/19.

Kindly, permit & sanction the same.

Thanking You!

Subject :- Regarding sanction of bills for
workshop & DTE office work at
Mumbai.

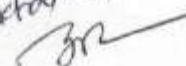

Respected sir,

With reference to above subject, we have attended
the workshop on moodle & also visited AICTE regional office
ARA office from 15/3/2019 to 16/3/2019. The details of bill
are as shown below,

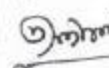

Sl. no.	Particulars	Amount
①	TA - Parbhani to Mumbai	1245 ✓
②	TA - Mumbai to Parbhani	2895 ✓
③	Lodge	1200 ✓
④	Breakfast (15/3/2019 & 16/3/2019)	144 + 228 = 372 ✓
⑤	Dinner (15/3/2019)	540 ✓
⑥	Lunch (16/3/2019)	540 ✓
⑦	Dinner (16/3/2019)	589 ✓
⑧	TA by Mumbai local train & taxi	(45+100) = 145 ✓
⑨	Workshop Fee (3 months)	514 × 3 = 1542 ✓
	PAID & CANCELLED 12.5 MAR 2019	9069 /-
	Less: Advance	6000 /-
		<u>3069</u> /-

So, please sanction above amount. 3069 rupee pay

To,
Accounts,

Director
R.S.P. Mandal's
Shri Shri Institute of Engineering
and Management Studies, Parbhani

Forwarded to
Hon'ble Shri Anil Bhanu
Narkate for sanction.

Yours Faithfully,

Subject: One day training programme on Moodle from IIT Bombay on 15 March 2019

To: <anand.pathrikar@gmail.com>

Dear Sir/Madam,

A Moodle training programme will be conducted on Friday, 15 March 2019 by the Teaching Learning Centre (ICT), IIT Bombay, funded by the Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNMTT), MHRD. Details of this workshop, including registration information, are available at <https://www.it.iitb.ac.in/nmeict/workshopContent.html?workshopid=HRw0KfnRHmrGrmNOWTJVEA>. The deadline for registration is 14 March 2019, 12:30pm.

Moodle is a state of the art Learning Management System (LMS), useful for all teachers, both in higher education and also in school education. Moodle is also Free/Libre and Open Source Software (FLOSS), and hence, can be used free of cost. It is used in many colleges and schools all over the world. Moodle has been the official LMS of IIT Bombay for about 15 years.

The cost of this one day hands-on workshop is only Rs-500. One will be able to install/use Moodle immediately after this workshop. In general, equally effective Moodle training programmes require a lot more time and money. Excellent training at a low cost is brought to the public, thanks to PMMMNMTT, with support from the award winning Spoken Tutorial and FOSSEE projects, both funded by the National Mission on Education through ICT (NMEICT), MHRD.

One may undergo this training in any one of the 106 Remote Centres located across the country. The effectiveness of the proposed training method can be seen from the testimonials, available at <https://spoken-tutorial.org/testimonials/media/?foss=70&page=3>, wherein, social scientists explain how easy it is to learn Koha, the state of the art library management software, through the Spoken Tutorial method.

There will be two types of workshops on 15 March 2019: (1) for teachers (2) for system administrators. AICTE desires all the institutions to share this information with the faculties and encourage them to participate.

Regards,
AICTE
