DVV Clarifications

7.1.3 Quality audits on environment and energy regularly undertaken by the Institution.

The institutional environment and energy initiatives are confirmed through the following

1. Green audit / Environment audit
2. Energy audit
3. Clean and green campus initiatives
4. Beyond the campus environmental promotion and sustainability activities

HEI Input:

A. 4 or All of the above

DVV Clarifications	HEI Response
<p>HEI to provide 1. the Policy document on environment and energy usage or Audit Report on environment and energy usage for AY 2022-23 duly Certificate from the external accredited auditing agency (preferably government, concerned department of affiliating university). 3. Action taken reports and achievement report for AY 2022-23 3. Geo-tagged photographs (with caption) or videos-links of activities/initiatives facilitating clean and Green in-campus or any beyond-the-campus environmental promotions. 4. Green audit/environmental audit report from recognized bodies. ; HEI must furnish evidence in the form of geo-tagged photographs, news reports, and testimony, demonstrating the initiatives undertaken for the following purpose: 1. Continuously monitor and evaluate waste management practices to identify further opportunities for improvement and waste reduction. 2. Expand awareness campaigns and educational initiatives to promote broader participation in environmental conservation efforts. 3. Strengthen partnerships with external organizations and stakeholders to leverage resources and expertise for enhanced impact. 4. Regularly review and update the plastic ban policy to adapt to changing regulations and best practices in plastic waste management. 5. Integrate sustainability principles into academic curricula to foster a culture of environmental responsibility among students and faculty.</p>	<p>The links containing the support documents as sought by DVV are given in the below table for kind approval considering all clarifications mentioned for this metric.</p>
