## Strategies of IQAC

1. **Collaboration with Departments:** Foster close collaboration with academic committees and departmental heads to effectively implement decisions and recommendations that enhance quality assurance.
2. **Feedback Mechanisms:** Establish robust systems for collecting and analyzing feedback from students and faculty to identify areas for improvement and drive institutional enhancements.
3. **Regular Audits:** Implement a systematic approach for conducting internal and external audits of both academic and administrative processes to ensure compliance and identify opportunities for improvement.
4. **Planning and Monitoring:** Develop comprehensive academic plans that outline goals and objectives, and continuously monitor their execution to ensure alignment with institutional standards.
5. **Workshops and Training:** Organize regular sensitization programs and training sessions for faculty and students to promote best practices in teaching, learning, and research methodologies.
