CIRCULAR

Subject: Availability of QR Code for direct access to the University Grievance Portal – display and wide publicity thereof.

Reference: This Office Circular dated 28/07/2026 regarding acceptance of examination-related grievances exclusively through the Grievance Portal.

All Principals and Directors of Affiliated Institutes and Colleges, and all Heads of Regional Centres are hereby informed as under:

1. Vide the Circular under reference, it has been notified that with effect from 29/07/2026, all examination-related complaints and applications — including those pertaining to marksheets, certificates and other examination matters — shall be accepted **only** through the University's official Grievance Portal at <https://dbatu.cems.co.in/grievance/>.
2. With a view to making this facility still more convenient for students, a **QR Code** has now been made available. On scanning the QR Code appearing below with a mobile phone camera, students will be directed instantly to the Grievance Portal / mobile application, where they may register their grievance and thereafter track its status using the Ticket / Token Number generated at the time of registration.
3. All Principals / Directors and Heads of Regional Centres are directed to display this Circular together with the QR Code **prominently on the student notice boards** of their institutes, and to circulate the same through their official digital channels, institute websites, student and departmental WhatsApp groups, so that every student is able to scan the code and access the Portal without difficulty.
4. It is once again reiterated that **no physical / offline complaint or application** submitted in person at the Main Campus or at any Regional Centre shall be entertained. Students may kindly be advised accordingly and dissuaded from visiting the campus for this purpose.
5. Institutes shall ensure that the above information reaches all students, including those awaiting results, revaluation outcomes, marksheets, transcripts and certificates.

The cooperation of all concerned is solicited in ensuring wide publicity of this Circular.
